## **DETAILED ACTION**

### **REASONS FOR ALLOWANCE**

1. Claims 1-3, 5-10, and 13 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The applicant's Remarks, filed on 1/19/2006, have been carefully reviewed with update search. Consequently, reasons for allowance of claims 1-3, 5-10, and 13 are set forth in according to the applicant's remarks stated on pages 6-7.

Regarding claims 1 and 13, the prior art made of record fails to clearly teach or fairly suggest, a method of providing a multiple interface system comprising the step of providing a first module having a first physical telecommunications interface and running a first telecommunications protocol, the first module having an H.100 switchblock in communication with the first telecommunications interface, a local switchblock in communication with the H.100 switchblock, a High-Level Data Link Control (HDLC) circuit in communication with the local switchblock, a digital signal processor in communication with the local switchblock and at least one framer in communication with the local switchblock; and a second module having a second physical telecommunications interface and capable of running a second telecommunications protocol which is different than the first telecommunications protocol, the second module having a second H.100 switchblock in communication with the second telecommunications interface, a second local switchblock in communication with the

second H.100 switchblock, a second HDLC circuit in communication with the second local switchblock, a second digital signal processor in communication with the second local switchblock and at least one second framer in communication with the second local switchblock, in combination with other limitations, as specified in the independent claims 1 and 13, and further limitations of their respective dependent claims 2-3, and 5-10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
